## Floor Cleaner/Oil & Grease Remover

Profi™/MC Floor Cleaner/Oil & Grease Remover is a nonionic oil and grease remover for all resilient and synthetic rubber flooring.

### Features & Benefits

- Integral part of a comprehensive floor care program for cleaning, stripping and sealing rubber floors
- Highly effective, solvent free formula emulsifies dirt quickly
- Gentle enough to use on resilient or rubber flooring with neutral pH and butyl-free formula

### Applications

- For use as floor cleaner and grease remover for all resilient and synthetic rubber studded flooring
- Can also be used on stone, marble and other hard surfaces

**Use Instructions**

- Position wet floor signs around area to be cleaned
- Depending upon soil level, dilute product according to directions below with warm water
- Distribute solution and allow to soak for 5-10 minutes (as conditions require) before scrubbing
- Mop up or wet vacuum slurry

**Dilution for Concrete and Resilient Rubber Studded Flooring**

- Light Soil Level: 1-2 oz. / gal.
- Heavy Soil Level: 3-4 oz. / gal.

**Dilution for Studded Rubber Flooring**

- Stripping of Silicone & Paraffin: 4 oz. / gal.
- Cleaning: 1-2 oz. / gal.

**Note:** Floors will be slippery when wet or contaminated with foreign materials. Promptly clean up spills and foreign materials.
