

DISCLAIMER: The products listed in this document were tested and approved for use with Lonseal flooring by the noted manufacturer. All warranties and support for these products lie solely with them. While other manufacturers' products not shown in this document may be used with Lonseal flooring, that manufacturer should always be contacted to confirm suitability for use with resilient sheet vinyl, as they will be responsible for all warranties and support. Refer to the **Maintenance Guide** that corresponds to your installed flooring for additional information. The products shown in this document are not approved or intended for exterior applications of Londeck products (see **Note A**).

NOTES:

- A. Exterior installations of Londeck must always follow the maintenance instructions and recommended maintenance products shown in the **Londeck Manual**.
- B. JFB Hart Coatings does not manufacture their own strippers, but recommends the following to remove their finishes. Contact the noted manufacturer for any questions.
 - ▷ DoradoStrip 3032 from Eldorado Chemical: <http://www.dtep.com/psd/DORADOSTRIP%203032%20TDS.pdf>
 - ▷ Smart Strip from Dumond Chemicals: https://www.dumondchemicals.com/pdf/tech%20data/Smart_Strip-TDS.pdf
- C. 3M™ disinfectants are chosen based on the infection risk the floor/area owner is trying to combat. 3M™ should be contacted for recommendations or any questions.
