

Flying X

10" block

For one block:

__Cut 8 ScrapMaster triangles, 3-3/8", from light fabrics.

__Cut 8 ScrapMaster triangles, 3-3/8", from medium or dark fabrics.

 Join the ScrapMaster triangles to make 8 half-square triangle units.

__Cut 4 squares 3" x 3", from light fabrics (B).

__Cut 4 squares 3" x 3", from medium or dark fabrics (B).

Piecing:

1. Make 4 units like this.

2. Join the units to make one block, like this.

To make the quilt shown in the drawing, you'll need:

- __ Flying X blocks
- __ Sashing strips. Cut 3" x 10-1/2" rectangles.
- __ Sashing squares. Cut 3" x 3" squares.
- __ Border fabric

Check the quilt plan for the quilt size you're making to determine how many blocks and setting pieces you'll need, and the width to cut the borders.

Crib quilt (shown below—48" x 60-1/2")

12 blocks, set 3 across and 4 down with 31 sashing strips and 20 sashing squares. Cut 4-1/2"-wide strips for borders.

Nap quilt (60-1/2" x 73")

20 blocks, set 4 across and 5 down with 49 sashing strips and 30 sashing squares. Cut 4-1/2"-wide strips for borders.

Twin bed quilt (62-1/2" x 87-1/2")

24 blocks, set 4 across and 6 down with 58 sashing strips and 35 sashing squares. Cut 5-1/2"-wide strips for borders.

Double bed quilt (75" x 87-1/2")

30 blocks, set 5 across and 6 down with 71 sashing strips and 42 sashing squares. Cut 5-1/2"-wide strips for borders.

Queen bed quilt (87-1/2" x 100")

35 blocks, set 5 across and 7 down with 82 sashing strips and 48 sashing squares. Cut 5-1/2"-wide strips for borders.
