

GRAPE BASKET

10" block

For TWO blocks:

- __Cut 22 ScrapMaster triangles, 2-7/8", from light fabrics.
- __Cut 16 ScrapMaster triangles, 2-7/8", from medium fabrics.
- __Cut 10 ScrapMaster triangles, 2-7/8", from dark fabrics.

 Join ScrapMaster triangles to make 16 light/medium and 6 light/dark half-square triangle units. (You'll use the 4 remaining dark triangles later, for the basket bottom.)

- __Cut 2 squares, 4-7/8" x 4-7/8", from light fabrics; divide on the diagonal (B).
- __Cut 1 square, 4-7/8" x 4-7/8", from dark fabric; divide on the diagonal (B).
- __Cut 4 rectangles, 2-1/2" x 6-1/2", from light fabrics (C).
- __Cut 2 squares, 2-1/2" x 2-1/2" 3" x 3", from light fabrics (D).

Piecing:

1. Make 2 center units like this.

2. Piece the outside edges and add to the centers to make 2 blocks, like this.

To make the quilt shown in the drawing, you'll need:

- __Grape Basket blocks
- __Fabric for vertical bars

Check the quilt plan for the quilt size you're making to determine the number of blocks to make and the cutting dimensions for the bars.

Crib quilt (shown below—50" x 60")

18 blocks, set in three 6-block strips; 4 vertical bars made from strips cut 5-1/2" x 60-1/2".

Twin bed quilt (65" x 90")

36 blocks, set in four 9-block strips; 5 vertical bars made from strips cut 5-1/2" x 90-1/2".

Queen bed quilt (80" x 100")

50 blocks, set in five 10-block strips; 6 vertical bars made from strips cut 5-1/2" x 100-1/2".
