

# Modern Gored Skirt Supply List

**Educator; Tracy**

## **Materials list**

To determine yardage, you must first begin by measuring your hips at the widest point and adding 1" to this measurement for ease.

Above knee length 20", mid knee 24", mid calf 28"

## **Yardage for above knee style**

28 " to 42" (9 to 12 panels) 1-7/8 yards

43" to 56" (13 to 16 panels) 2-1/2 yards

If making the skirt mid-knee or mid calf, add additional fabric or consult pattern for additional yardage.

If you want to construct with alternating fabrics, please consult pattern for yardage requirements.

## **Additional Requirements**

Sewing machine in good working order, with power cord, normal sewing foot

Coordinating thread and bobbin wound with same thread

Scissors, pins, tape measure

Rotary cutter, cutting mat, ruler - optional

Iron and ironing pad

3/4" wide elastic to fit waist
