

The Ginger House, INC. opened its doors at 59 North Florida Street in Midtown Mobile, Alabama in November 2001. We are a small children's boutique that focuses on dressing kids like kids. Ginger is in the store daily to take your orders and answer any questions you may have.

We pride ourselves in being able to give our customers the best in individual attention. If you have a question or a problem you will talk directly with Ginger.

If you are ever in Mobile, stop by... we love to see our customers (and especially their children) in person. The children of our local customers stop in frequently for animal crackers and to play in our playroom. Where else can you let them draw on the walls and not worry about it?
