Initials

(two-three letters all the same size)

Initials for a **single individual** or **married man** are:

First name initial – **Middle** name initial – **Last** name initial

So, **Susan Ann Garner's** or **Steven Allan Garner's** - **initials** would look like this:

SAG

The correct initials for **married women** to use are:

First name initial - **Maiden** name initial - **Married** last name.

So if **Susan Ann Garner** married **William Johnson** (**Susan Garner Johnson**) her **initials** would be:

SGJ

Monograms

(three letters with the middle letter largest)

The proper sequence for a **single individual's monogram** or **married man** is:

First name initial - **Last** name initial (larger) - **Middle** initial

So, **Susan Ann Garner's** or **Steven Allan Garner's** - **monogram** would look like this:

SGA

The correct sequence for a **married woman's monogram** is:

First name initial - **Married** Last name initial (larger) - **Maiden** initial.

So, if **Susan Ann Garner** married **William Johnson** (**Susan Garner Johnson**) her **monogram** would be:

SJG

The correct monogram to incorporate both a **husband and wife's initials** is:

Wife's First name initial - **Married Last** name initial (larger) - **Husband's First** name initial.

Susan and William Johnson's monogram would be:

SJW
