Gerrard Larriett is the innovative creator of Aromatherapy Pet Spa in a Box! The natural, 100 % biodegradable, and Veterinarian Recommended pet care collection includes; shampoo, freshening and shining spray, and a soy candle. Gerrard was inspired to design the aromatherapy pet care regime by his own dog – Dada!

The Aromatherapy Pet Spa in a Box comes in five healing scents, and we all know that a dog's snout is by far his or her best friend; Happy Jasmine, Balancing Rose, Relaxing Wildwoods, De-stress Lavender & Chamomile, and Energizing Grapefruit & Spearmint. It's a great pet travel gift or aid to sooth and relax pets in any environment!

Gerrard invites all pet enthusiasts to visit him at the [New York Pet Expo](#) – May 31st to experience the Aromatherapy Pet Spa in a Box in person! As an added bonus, all four-legged visitors (and pet parents) to the Gerrard Larriett booth will receive a complimentary paw reading by celebrity pet psychic [Madrette](#).

Gerrard said, "I can't wait for attendees at the Expo to experience the Pet Spa in a Box. Each set is filled with the best, all natural products that will actually make pets want a bath!"

Visit Gerrard Larriett's [website](#) and enter the promo code "Hope" – you'll be donating a portion of each sale to [Big Cat Rescue](#), a sanctuary for big cats! *MEOW!*
