

## **CARE INSTRUCTIONS**

- 1) Spray/rinse off any dirt or debris on the panels with lukewarm water.
- 2) Use a micro-fiber cloth or t-shirt rag and gently wash with an up and down motion.
- 3) Spray plastic cleaner or ammonia-free window cleaner directly on the panels.
- 4) Use a micro-fiber cloth or t-shirt rag and gently wash with an up and down motion.
- 6) Dry with a micro-fiber cloth or t-shirt rag to prevent water spotting.
