

My

Maximo

...my

Maximo

Maximo can be perfectly adjusted to any size

- The seat height, seat depth and rest height can be simply adjusted. **This means your child always sits in the best ergonomic position.**
- Adjustment range of 28-54 cm for heights of approx. 109 - 200 cm.
Loads up to 80 kg
-  **Washable and exchangeable covers.**
- Maximum back support thanks to swivel mounted back rest.
- The seat with shock absorbers ensures dynamic seating and comfort.
- Universal wheels for hard and soft floors.

With plenty of extras

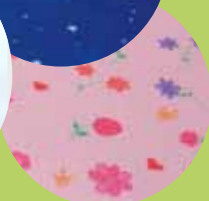

Psst!

Secret compartment
under the seat.
Don't tell anyone!

Cool oder fresh?

There are 18 different covers for the Maximo - plain or with cool patterns - and two different frame colors.

Cap or handle?

The cover cap on the Maximo column can be exchanged for the included, practical handle as required.
