CARBON

C

### DESCRIPTION

Powder-coated aluminum is used in the construction of all of our non-wood products. The material perfectly accents our other high-quality, luxury materials to create a bold contemporary design that is both lightweight and extremely durable.

### DURABILITY

Powder-coated aluminum is rust-proof and weather resistant making it a great fit for high-traffic outdoor environments.

### CARE AND MAINTENANCE

Powder-coated aluminum requires little maintenance, however, regular cleaning is recommended to keep furniture looking new. Wash gently with a mild non-abrasive cleanser, rinse well, and let dry.

### WARRANTY

Oxford Garden® warrants all outdoor furniture and accessories to be free from manufacturing defects in materials and workmanship. Provided the furniture is assembled correctly and is subjected to normal use, Oxford Garden® warrants all powder-coated aluminum frames for a period of five (5) years from date of purchase against structural failure. Oxford Garden® warrants the powder coat finish on all aluminum frames for a period of three (3) years from date of purchase against peeling, flaking and blisters. Oxford Garden® also warrants all hardware used in the construction of its outdoor furniture for a period of three (3) years from the date of purchase to be free from defects and against structural failure. For more details regarding the Oxford Garden® warranty, visit [www.oxfordgarden.com/warranty](http://www.oxfordgarden.com/warranty).
