

RESIN WICKER

DESCRIPTION

Resin wicker is made of a synthetic polyethylene material. Durable and elastic, resin wicker provides a comfortable seat that will resist weathering and endure.

DURABILITY

Resin wicker material is an ideal option for outdoor furniture and high-traffic environments. It withstands the elements while maintaining its beauty and structural integrity. The strength and easy maintenance of the synthetic material used in resin wicker provides durability in commercial applications.

CARE AND MAINTENANCE

Resin wicker requires little maintenance, however regular cleaning is recommended to keep furniture looking new. Wash gently with a mild non-abrasive cleanser, rinse well and let dry.

WARRANTY

Oxford Garden warrants all outdoor furniture and accessories to be free from manufacturing defects in materials and workmanship. Provided the furniture is assembled correctly and is subjected to normal use, Oxford Garden will cover your outdoor furniture under a five, three, or one year warranty as applicable.
