GO WIRELESS

Our Ridge Wireless™ technology allows two-way wireless connection, making your system more versatile and more responsive.

FITS YOUR NEEDS

Whether it’s a simple installation or a multiple-keypad, multiple-device setup, your configuration options are limitless.

SOLAR FRIENDLY

An ultra-low current draw means it plays well with your solar gate operator.

GOES WHERE YOU GO

No wires mean freedom—this device can be located and mounted anywhere you need it.
