

Seed Starting Kits Fundraiser

25% of total proceeds donated to your organization. 35% if total exceeds \$1000!

What better way to raise funds for your organization and learn more about growing your own food. The seeds provided for this fundraiser are No-GMO (Genetically Modified Organisms), and the pots and soil are approved for organic use.

In addition, if your group sells more than \$500 in total, The Online Greenhouse will give one Kit of their choice to the top seller in your group. This fundraiser offers seed starting kits that feature an assortment of organic soil, biodegradable pots, and No-GMO Seeds.
