

Seed Collections Fundraiser

25% of total proceeds donated to your organization. 35% if total exceeds \$1000!

What better way to raise funds for your organization and learn more about growing your own food. The seeds provided for this fundraiser are No-GMO (Genetically Modified Organisms). In addition, if your group sells more than \$500 in total, The Online Greenhouse will give the top seller in your group one collection of their choice.
