

The MG3 is a true drop in replacement phone for an Otis Nogales unit. With dimensions of only 1.73" wide by 3.74" in length, it fits into a black plastic bracket provided by others on the back of the car panel. Disconnect the wiring from the old board, remove the old board, put in the MG3 board in the bracket (not included), re-wire, and connect 24vdc power.

**Part #: MG3-ACC**
