WHY OURS ARE BETTER

SPEED: Our powerful, double piston pump seal bar finishes the job in half the time of the competition

POWER: With 935 watts of power, these are the most powerful out of chamber vacuum sealers on the market. They even seal through moisture!

DEPENDABILITY: Extra wide, 5 mm seal bar creates a solid, dependable seal every time

DURABILITY: Fan cooled motor, designed specifically for continuous, repetitive use without overheating

FLEXIBILITY: Extra long 15" seal bar means you can seal a variety of vacuum sealer bags up to 15" wide
