Blessings Here I See

by Tim Burnaman

Here and now, I am free
I go inside peacefully
Where I look let there be blessings here for me.
Blessings here I see.

Breathe in and out, soft and slow.
At this time I let go.
Where I look let there be blessings here for me.
Blessings here I see.

All on a journey on our way
Different paths here today.
Where I look let there be blessings here for me.
Blessings here I see.
