Child of This Universe

By Faith Rivera

VERSE 1

I am a child of this universe,
The ocean dances at my feet.
The wind plays a melody through my hair.
I am loved at ev'ry turn,
I am kissed by Mother Earth.

VERSE 2

I am a child of this universe,
The sun warms me in its embrace.
The stars have aligned for me in the sky,
I am honored by all life,
I am held by Father Time.

CHORUS 1

Ev'ry blade of grass,
Ev'ry shaking leaf on a tree,
Ev'ry mountain top
Sings of the glory of God moving through me.

VERSE 1

I am a child of this universe,
Through my breath all of life can breathe.
I plant the seeds with my ev'ry dream,
I can love at every turn,
Give a kiss to Mother Earth.

VERSE 4

Yes, I am a child of this universe,
I greet the God in each face.
I am a channel for peace to flow,
Oh, I honor all of life,
Yes, I'm one with Father Time.

CHORUS 2

To ev'ry blade of grass,
To ev'ry shaking leaf on a tree,
To ev'ry mountain top,
I sing of the glory of God moving through all,
Moving as me, moving as you.
Movin'.
