CHRISTMAS STAR

Lyrics by David Ezell

Sing to the tune of "Away in a Manger."

When Jesus was born on a cold winter's night
A star in the sky came there, shining so bright.
The star is a symbol of God's Love and Light,
And shows us the way to see Life through clear sight.

A special day comes each year at Christmas time.
We joyfully celebrate God's gift sublime.
The glorious star brings us joy with a sign
That we can live lives which with Spirit align.

As Jesus was healing he taught us to pray.
He showed us the Christ and its Truth did convey.
We follow his lead as we trust and obey,
And we can live Christly lives in God's true way.
