Colors of Praise

By Faith Rivera and the Colors of Praise Choir

VERSE

Vibrant colors fill this place, see the warmth in every face.
Look around the rainbow of people who come to praise.
Single mother dressed in red, stands next to a world war vet.
And up in the front the are children brown, black and white.

PRE-CHORUS

Oh, the candle glows, and the Spirit flows.
The Word's been brought to life.

CHORUS

We come together today, put every difference away, to share our colors of praise.
We blend our voices with love, reach out to the one God above,
 we shout with colors of praise.
Colors of praise.

VERSE

We each walk our different paths, look to find a love that lasts.
Here to paint a picture of gladness and joy in God.
Some in t-shirts, some wear ties, many who have changed their lives,
From the streets we have come to make this place our very home.
