By David Roth

## VERSE 1

Dream of a day when we can live  
without anger.  
Dream of a time when we can live  
without pain.  
Dream of a way that we can live  
without hunger,  
And dream of a sign that the Earth  
can be peaceful again.

What can we do to get our people  
looking higher?  
What do you do in the darkness  
but look for the light.  
We can join hands and do  
whatever we desire,  
And we'll never fail as long as  
our reasons are right.

## CHORUS 1

We're gonna live in peace.  
It's our only chance on earth.  
Get all that fighting to cease,  
And remember what life is worth.

## INSTRUMENTAL

## VERSE 2

Each of us has the power  
to bring about changes,  
Though society separates us  
from the time of our birth.  
Well we won't live here much longer  
if we live as strangers,  
And no time at all if we don't learn  
to live with the earth.

Combining our efforts  
instead of being parted,  
Sharing a vision that we will  
have a new dawn,  
Remember that love is  
how it all got started,  
And don't you know that love will  
keep going even after we're gone.

## CHORUS 2

What can we give the Earth  
That we haven't given in the past?  
A way to live here on Earth,  
Make it last and last and last.

## INSTRUMENTAL

## VERSE 3

Dream of a day when we can  
live in communion.  
Dream of a time when we can  
live without fear.  
We can awaken all of us  
working together,  
And know that the time when the Earth  
can be peaceful is near.

## CODA

And know that our thoughts and  
our actions are honest and clear,  
And know that all people on earth  
will be safe from all fear.  
Know that the time when the Earth  
can be peaceful is here.
