FALL, BACK, SPRING FORWARD

(AKA SEE A NEW HORIZON, OR LOOK AROUND, IT'S SPRINGTIME)

By Richard Mekdeci, with additional lyrics by David Ezell

Words for Change Into and Out of Daylight Savings Time

CHORUS

Fall back, spring forward.
It's that time of year.
Fall back, spring forward.
The time is drawing near.
Get ready, get set,
 now don't you forget,
On Sunday Two A. M.
Fall back spring forward.
We do it again.

CHORUS

TAG

Fall back, spring forward.
Fall back, spring forward.
Fall back, spring forward.
We do it again.

Words for New Year's

CHORUS

See a new horizon.
It's that time of year.
Get a brand new vision.
The time is drawing near.
Get ready, get set,
 now don't you forget,
To do as you intend.
See a new horizon.
We sing it again.

CHORUS

TAG

See a new horizon,
Get a brand new vision.
While you're moving forward,
As you intend.

Words for the Arrival of Spring

CHORUS

Look around, it's springtime!
What a time of year!
See the birds, and flowers
And bees all reappear.
There's joy in the air,
 and sunshine everywhere,
It's beautiful today.
We are feeling lively
And so we can say:

CHORUS

TAG

We are feeling lively,
Look around, it's springtime.
What a joyous season,
Let's have a great day!
