7 God gave me one heart to love you. and I'm gon-na do that ev- 'ry day,

I'm gon-na do that ev-'ry day. I'm gon-na do that ev-'ry day, ev-'ry day of my life.

This song is an "add-on" song- one heart is first, as above, then sing it again and put the two ears in before the one heart, then sing again and put in two eyes before the two ears, etc. Note the numbers in the completed series below. Start melody only then add harmonies, line by line. Harmonies can be improvised but suggestions are below, ad lib percussion breaks between verses and lead embellishments.

God Gave Me

By Erin McGaughan

God gave me one heart to love you.
I'm gonna do that ev'ry day,
I'm gonna do that ev'ry day,
I'm gonna do that ev'ry day,
ev'ry day of my life.

God gave me:
Two ears to hear the word, and
One heart to love you, and
I'm gonna do that ev'ry day,
I'm gonna do that ev'ry day,
I'm gonna do that ev'ry day,
ev'ry day of my life.

God gave me:
Two eyes to see the miracle,
Two ears to hear the word, and
One heart to love you,
and I'm gonna do that ev'ry day,
I'm gonna do that ev'ry day,
I'm gonna do that ev'ry day,
ev'ry day of my life.

God gave me:
Two hands to work for justice,
Two eyes to see the miracle,
Two ears to hear the word, and
One heart to love you,
and I'm gonna do that ev'ry day,
I'm gonna do that ev'ry day,
I'm gonna do that ev'ry day,
ev'ry day of my life.

God gave me:
Two lips to sing Hallelujah,
Two hands to work for justice,
Two eyes to see the miracle,
Two ears to hear the word, and
One heart to love you,
and I'm gonna do that ev'ry day,
I'm gonna do that ev'ry day,
I'm gonna do that ev'ry day,
ev'ry day of my life.

God gave me:
Two legs to keep things movin',
Two lips to sing Hallelujah,
Two hands to work for justice,
Two eyes to see the miracle,
Two ears to hear the word, and
One heart to love you,
and I'm gonna do that ev'ry day,
I'm gonna do that ev'ry day,
I'm gonna do that ev'ry day,
ev'ry day of my life.

God gave me:
One life to live in Spirit,
Two legs to keep things movin',
Two lips to sing Hallelujah,
Two hands to work for justice,
Two eyes to see the miracle,
Two ears to hear the word, and
One heart to love you,
and I'm gonna do that ev'ry day,
I'm gonna do that ev'ry day,
I'm gonna do that ev'ry day,
ev'ry day of my life.
Ev'ry day of my life, ev'ry day of my life.
