LIGHT OF LOVE

Verse

I see the light of love reflected in your eyes when you smile,
When you laugh, when you dance and when you sing.
The light of love is evident in children men and women.
It is evident in nature, in the young and in the old.

Chorus

To see the light of love,
All that's needed is the will to put aside
Preconceived judgments, and to be
In a joyfully expectant state of mind.

Verse

Why should I look for this light
Reflected all around me?
Because happiness is the result
Of such wonderful perception.

Chorus

Verse

Gratitude is what I feel
Anytime I see that light
Reflected in your eyes
Because my eyes reflect it too.
