# LIVIN' IN THE LIGHT

By Jim Downer

## VERSE 1

The world was in darkness,  
    my mind was depressed,  
My future looked dimmer than dim.  
My attitude was bad,  
    my outlook was worse,  
Oh I never knew what I had.  
I was blinded by fear,  
    oh I just couldn't see  
All the good that God was sending me.

## CHORUS 1

But now I'm livin' in the light.  
Yeah, yeah, I'm livin' in the light.  
Hallelujah now ev'rything is right  
Thank God, I'm livin' in the light.  
Oo now I'm livin' in the light.

## VERSE 2

Showers of blessings  
    pour down all the time,  
But we're afraid to get wet.  
If you think God has given you  
    all you deserve,  
Well you ain't seen nothing yet.  
Just open your hearts,  
    yes, open your eyes,  
Step out of the shadows  
    and brighten your lives.

## CHORUS 2

'Cause now we're livin' in the light.  
Yeah, yeah, we're livin' in the light.  
Hallelujah now ev'rything is right.  
Thank God, we're livin' in the light.

## BRIDGE

All the love in the universe,  
Health, and prosperity,  
The peace of mind that we all deserve  
Is waiting right here right now  
    for you and me!

## CHORUS 2

## OUTRO

Yeah we're livin' in the light.  
Thank God, we're livin' in the light.  
Wo ho, we're livin' in the light.
