NO ONE TOLD ME

Lauren Lane Powell

Verse 1

I thank God no one told me that it couldn't be done.
I thank God no one told me learning new things wasn't fun
I thank God no one told me parts of me were missin'
If they did I thank God I didn't listen.

Verse 2

I thank God no one said I couldn't follow my dreams
I thank God no one said it can't be strawberries and cream.
I thank God no one said I shouldn't show my spirit.
If they did I thank God I didn't hear it.

Chorus

No one told me I had to be perfect.
No one told me my best was not enough.
I thank God no one said I shouldn't even try it.
If they did I thank God I didn't buy it.

Verse 1

Chorus

Coda

I thank God that I'm the kind of person* that I am today.
Thanks to all of those things all those people didn't say!

* originally "woman"
