## VERSE

Pray early in the mornin; pray late at night.  
Pray in times of trouble; pray when things are goin' right.  
Pray in groups of people; pray when you're all alone.  
Pray when you're trav'lin' on the road; pray when you are safe at home.  
There are no magic words for you to say.  
You don't even have to open your mouth; 'cause God hears you anyway.  
Each day holds a blessing; that's only a thought away.  
We turn the key that unlocks the door to faith when we pray.

## VERSE

Pray when you are angry; pray when you are full of grace.  
Pray when you are peaceful; pray when you are full of hate.  
Pray for those who love you, and then pray for those who don't.  
Pray for things that will happen; pray for things that won't.  
There is no magic place you need to go,  
No secret handshake you need to know.  
Each day is filled with challenges that never seem to go away.  
We turn the key that unlocks the door to faith when we pray.

## VERSE

Pray when you are happy; pray when you are feeling sad.  
Pray for things that have slipped away. pray for things you hold in your hand.  
Pray for those who have stumbled; who seem to have lost their way.  
Pray that they will find a path; that leads them to a brighter day.  
There is no magic wand for you to wave.  
There is no special mantra you need to say.  
Each day holds a blessing that's only a thought away.  
We turn the key that unlocks the door to faith when we pray.  
We open the door to God's power when we pray.
