Roll Away the Stone

By Susie Hulcher

CHORUS

As I roll away the stone I see
You have come to give new life to me,
So I'll have it more abundantly,
Precious life, blessed life, eternally.

VERSE

Imprisoned by the errors in my thinking.
My jailers they all smiled and walked away.
Then You came in with the key,
And helped me see the light of day.

CHORUS

VERSE

I need to walk Your path up to that hilltop.
I'll never really live until I die
To ev'rything that holds me down,
To all that keeps me bound to I.

BRIDGE

I needed something I could lean on,
And came to rest upon Your tender love.
Soon I grew strong enough to push that rock that looked so tough,
And felt the sunlight on my face again.

CHORUS 2x

CODA

Eternally. 3x
