CHORUS

Seed of God, you are planted.
Deep inside I feel you grow.
Seed of God, source of beauty,
Like a daffodil in the snow.

VERSE

God has planted a seed in me
And it grows like a lemon tree.
I feel it blossoming when I pray;
Gets more beautiful ev'ry day!

CHORUS

VERSE

God has planted a seed in you.
There is nothing that you can't do.
Feed and water it with your pray'rs.
Smell the fragrance that fills the air!

CHORUS

VERSE

God has planted a tiny seed.
It is more than we'll ever need.
It will grow if you give it room.
Luscious buds are about to bloom!
