

Cast Aluminum Plaque Color & Size Options

For over 70 years, Whitehall has been crafting personalized name and address plaques to provide a distinctive finishing touch to millions of homes. Renown as the world's largest manufacturer of personalized name and address plaques, Whitehall's reputation for quality and reliability is unsurpassed.

Few products can add as much value to the curb appeal of your home as a Whitehall Personalized Plaque. Each plaque is hand-crafted in the USA from rust-free, recycled aluminum. Paints have been specially formulated and weather-tested to withstand the harshest elements, and many Whitehall address plaques are designed to provide maximum visibility to meet local "911" emergency standards.

When selecting your Whitehall Plaque, it is important to consider a few key factors:

Personalization:

- Do you need a street name as well as an address number?
- Do you want your family name to appear on the plaque?
- If this plaque is your only address marker, it's a good idea to check local 911 codes for proper number sizes.
- Since each personalization is different, Whitehall may select an alternate character size to optimize the appearance of your plaque.

Size & Location:

- Estate, standard, and petite sizes are available in wall or lawn mount options to accommodate any space.

Style & Color:

- What design, shape, and color best complements your home?
