

The Topit Book CD

© Copyright 2014. Michael Ammar. All Rights Reserved.

All files on this disk are copyright protected. Please do your part in preventing piracy by keeping this disk in your personal library for your own personal use. Thank you!

Thank you for your purchase! On this disk you will find 3 types of e-book files:

- PDF
- EPUB
- Mobi

Please follow the guidelines for your device for reading ebooks. Generally, **PDF** can be read on most tablets and with Acrobat Reader.

The easiest way to open an **EPUB** file is to double-click on it and let your PC decide which default application should open the file. If no program opens the EPUB file then you probably don't have an application installed that can view and/or edit EPUB files.

EPUB files can be opened in most eBook readers, like the [B&N Nook](#) and [Kobo eReader](#). EPUB files have to be converted before they're usable on the [Amazon Kindle](#).

EPUB files can also be opened on a computer with various free programs including [Calibre](#), [Adobe Digital Editions](#), [Stanza Desktop](#), [Mobipocket Reader Desktop](#), [Okular](#), and many more.

Plenty of iPhone and Android apps also exist that allow viewing of EPUB files. There's even a Firefox Add-on, [EPUBReader](#), that allows you to read EPUB files in the browser just like other documents.

MOBI - for the Kindle.

Video Files

For times when you can't access the internet, we've included the support videos on this cd for your use.
