

*Now that your baby's here,*

*it's good to know we're here.*

Before you know it, your child will be crawling and walking. Babies are curious, and a poisoning can happen in an instant. Carolinas Poison Center's assistance is always free and private, 24 hours a day, 7 days a week. Don't wait for symptoms of poisoning.

Call us at

Cut seal to remove magnet.

### Poison Prevention Tips

- Keep medicines and household products high and locked away.
- Never refer to medicine and vitamins as treats or candy.
- Read medicine labels carefully and follow dosing instructions.
- Be aware of potential poisons you may have inside your home.
