

"In Memory" Poetry Cards

Someone Special

*On the Wings of Love
There's someone up in Heaven
That's watching over you
These tiny wings bring their Love
As you come to say "I Do".*

Mom

*On the Wings of Love
Though your Mom is now an angel
She's come from far away
All her love she brings to you
On this, your Wedding Day.*

Grandma

*On the Wings of Love
Though your Grandma is now an angel
She's come from far away
All her love she brings to you
On this, your Wedding Day.*

Grandpa

*On the Wings of Love
Though your Grandpa is now an angel
He's come from far away
All his love he brings to you
On this, your Wedding Day.*

Dad

*On the Wings of Love
Though your Dad is now an angel
He's left heaven for a while
He's here to share your Wedding Day
And walk you down the aisle.*

Special Friend

*On the Wings of Love
God sends many Angels down
Special friends they'll be
The most precious one in all the world
Is the one he sent to me.*
