

Available in 25 colors, these products do not contain any PVC, plasticizers, cadmium, formaldehyde, halogens or CFCs.

Performance Characteristics

Hardness	ASTM D2240 A/85/1
Tensile Strength	ASTM D412 60 kgf/cm ²
Elongation	ASTM D412 300 %
Change in dimension	ASTM D1204 -0.2%
Abrasion resistance	ASTM D4060 0.5 g
Behavior on exposure to glowing cigarettes	DIN 51961 Slight burned mark
Flame test	Meets requirements of US Uniform Building for UBC Code Class 1
