10-YEAR LIMITED WARRANTY

WARRANTY

The warrantor will repair or replace, at its discretion, any Stainless Cable & Railing™ cable, cable assembly, and fittings used under conditions of normal use, to be free of defects in material and workmanship for **10 years**. This warranty is valid for Stainless Cable & Railing™ product used in standard residential installations for the original consumer and may not be assigned or transferred.

Stainless Cable & Railing™ TERMS, CONDITIONS, AND LIMITATIONS

- 1) **The warrantors sole liability and the owner's only remedy is as follows:**
 - a. **The warrantor will repair or replace, at its discretion the defective parts of the railing**
 - i. **If a problem with the cable, cable assemblies, or fittings occurs within the first year from the date of purchase, the repair or replacement will include materials, and freight costs.**
 - ii. **If a problem with the cable, cable assemblies, or fittings occurs after year one (1) and within year ten (10), from the date of purchase, the repair or replacement will include the material only.**
- 2) **The warranty does not cover damage due to: normal use or weathering which includes but is not limited to scratching or tarnishing, physical abuse, corrosive atmospheric contaminants, acts of God, acts of war, civil disturbances, vandalism, terrorism, negligence, freight or transit.**
- 3) **The warrantor will not be required to honor this warranty:**
 - a. **If the railing and/or railing components was not installed according to the latest code requirements.**
 - b. **If the railing installation has been modified, altered, or changed at the time of installation or thereafter, and is not in accordance to the manufacturers' installation instructions.**
 - c. **If proof of purchase and payment in full is not submitted with warranty claim.**
 - d. **If reasonable access has not been given to our company representative for inspection purposes.**
 - e. **If the railing and/or railing components are not properly protected or cared for in accordance with the manufacturers' maintenance instructions.**
- 4) **The customer assumes all risk and liability associated with the construction, installation or use of this product.**
- 5) **The warrantor's only liability is for the repair or replacement of the defective part of the railing and is not responsible for the loss of use or any other consequential costs associated with the defect.**
- 6) **The word residential, as referred to in this warranty is defined as single family housing and detached duplex/triplex housing.**
- 7) **Claims must be made within thirty (30) days of the discovery of the problem. The claim must be in writing including proof of purchase and payment.**
