Command Center (Desk Mount)
Includes Phone & Distribution Module

Features:
• Desk mount phone
• Includes handset and speaker phone for communication to Call Boxes
• Works with either our 2100 or 2400 series models with a single pair back to the Distribution Module. The 2400 Series is powered from the Distribution Module and the 2100 Series is powered from 2500-PWR24U.
• Base Station and Sub-Master Stations are powered from the Distribution Module
• Command Center and Sub-Master to Distribution Module requires a single pair
• Standard system allows for a Command Center and a single Sub-Master (contact RATH® for additional Sub-Masters)
• Audible alert sounds when phones place a call until Base Station or Sub-Master Station joins conversation
• LEDs indicate which Call Boxes have initiated a call
• Rescue personnel can communicate with individual Call Boxes and outside party
• Calls wait in queue until previous call is disconnected and receive a message stating that an emergency call is in progress. When the prior call clears, the next phone in queue is connected.
• Can be configured with the main Base Station and multiple Sub-Master Stations (available in desk, surface, or flush mount)
• IBC, NFPA, and ADAAG code compliant
• 3 year warranty
