

Accessories inspire business travel to the next level with items made to elevate and ease the workday experience. BY KATHY WITT

Be alert and efficient on the job by getting a good night's sleep. **Cool-Jams** Jennifer Nightgown, made of lightweight moisture-wicking fabric, helps promote restful sleep by regulating body heat. Compact and wrinkle-resistant, the pajamas feel like cotton and are silky to the touch. They can be rinsed in the hotel sink and hung for quick drying. MSRP \$49

Design Go offers the sophisticated Go Travel Tablet Carry Case in two sizes — a larger model that fits all generations of iPads and full-sized tablets up to 9.5" and a smaller version ideal for iPad mini, e-readers or Kindles. Constructed from durable and stylish black faux leather, the lightweight cases feature a soft, anti-scratch interior and come with a cleaning cloth for crystal clear screens. MSRP \$22.95

Providing ultra-light tech transport for today's digital tools, **Eagle Creek's** Pack-It™ 15" Specter Laptop Sleeve, shown in strobe green, protects your laptop while enabling in-sleeve charging with a strategically placed Power Port™. The Pack-It™ Specter Collection also includes tablet, mini-tablet and 13" laptop sleeves and in color choices including white/strobe, green and tangerine. MSRP \$26/15" sleeve

Carry your laptop bag in hands-free comfort with the **i-stay** Non Slip Bag Strap. Its patented webbed shoulder pad distributes the bag's weight evenly across the shoulder and it won't slip or slide off any fabric. Go ahead: Talk on your cell phone and drink your morning coffee; your bag will stay put. MSRP \$19.49

Just as suitcases are for clothing, The Traveler™ is for toiletries. Created by **Inspire Travel Luggage**, The Traveler™ Elite has a solid waterproof core for stability and allows products to stand up, making leaks less likely. Measuring 12" x 9" x 10", the case accommodates full-size bottles and is ideal for international and long-term travelers. MSRP \$40
