

Integration Toolkit

Dozens of Supplementary Reports and Versatile Utility Programs that Extend the Capabilities of Keystroke POS and Enable Seamless Integration to Other Systems

Reporting Tools

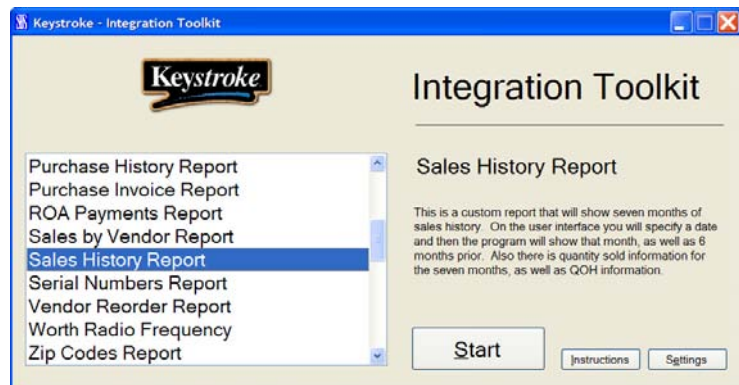

- **Sales Analysis and History Reports** – An assortment of sales reports with unique and useful combinations of data.
- **Inventory Turnover and Database Reports** – A variety of Inventory reports with slightly different perspectives.
- **Purchase Analysis and History Reports** – Various modified approaches to reviewing purchase data.
- **MultiStore Reports** – Consolidated reporting using location data stored in multiple directories.
- **Other Custom Reports** – Sales by zip code, sales by vendor, consolidated sales and purchases per serial number, and more.

Utility Programs

- **File Conversions** – Convert ASCII quote/comma or fixed length files to the INI file format for integration to EDI, E-Commerce, or other systems.
- **Coupon Check** – Automatically print custom coupons when certain items are purchased.
- **Invoice to Label** – Reformat sales data to print custom forms including barcodes on specialty printers.

And Much More!

- **Batch Payment Processing** – Auto-process a range of credit card payments on periodic recurring transactions or off-site sales events.
- **Other Diverse Tools** – The Integration Toolkit offers many other useful utility programs not mentioned here.

A Must Have for Serious Users

- The Integration Toolkit Extension is a collection of unique programs developed by SBS at the request of other businesses using the Keystroke POS system.
- The interface program (shown above), enables you to review instructions and conveniently launch included programs.
- *The Integration Toolkit also includes a variety of utilities which enable third-party programmers to integrate custom applications with the Keystroke POS system. If your business requires features not currently available, please contact your local dealer.*

To learn more about the Keystroke POS Integration Toolkit, contact your local Authorized Dealer or call SBS at 800-359-3458!
