

# RPB Series Pendant Stations - Rubber Enclosures

One-Speed and Two-Speed Control plus Accessories

RP-4

RP-3

RP-2

RP-1

RPB Series Pushbutton Pendant Stations feature steel reinforced rubber construction with a tongue and groove cover plate to protect buttons from many elements. The RPB Series support a number of applications with single and two speed operation, momentary and maintained switches, and a variety of accessory and replacement parts. Wire mesh grips for added strain relief are available.

## Enclosures

Each complete enclosure includes a standard package of legend plates, cord grip and strain relief bracket.

- RP-1 Two-Button
- RP-2 Four-Button
- RP-3 Six-Button
- RP-4 Eight-Button
