

DWL31-XX TOP LED SHELVES

STAND OUT! Illumination is key to optimal, effective and great-looking merchandising. Our new glass shelves provide high-end, day-like retail lighting for your products. The design is simple yet sophisticated. Both the upper and lower surfaces of the shelves are made from frosted glass allowing LED light to pass through. Your frames will be lit and displayed in the most efficient and balanced light from below and above. The shelf structure is made of powder coated steel in white.
