A) CHEST MEASUREMENT

With wearer standing in front of you with arms at their side, wrap measuring tape around their chest at the widest point.

CHEST:		inches
--------	--	--------

B) WAIST/GIRTH MEASUREMENT

With wearer standing with arms at side, measure their waist at widest point. Make sure stomach is relaxed for best measurement.

WAIST/GIRTH:		inches
--------------	--	--------

C) FRONT SEATED MEASUREMENT

With wearer sitting, begin measurement 1/2" below clavicle notch to the widest part near the waistline.

FRONT :		inches
---------	--	--------

D) BACK STANDING MEASUREMENT

While standing and with arms relaxed at side, locate natural shoulder line and select a parallel point in the middle of the back. From that location, measure down to a point approximately 1" above the natural waistline.

BACK :		inches
--------	--	--------

E) Height		F) Weight		G) Inseam	
-----------	--	-----------	--	-----------	--

H) (Females) Bra Size	
-----------------------	--

I) (Females) High Bust Measurement	
------------------------------------	--

J) (Females) Full Bust Measurement	
------------------------------------	--
